PILLARS CLUB

*Recognizing and honoring individuals in greater McHenry County who have displayed leadership and uncommon benevolence in addressing local human service needs through support of United Way of Greater McHenry County.*

## 2009-10 United Way of Greater McHenry County Pillars Club Members

Individuals who provide generous donations of time, talent and financial resources to human service organizations, civic groups, education and the arts provide a framework of strength upon which a community is able to grow, thrive and respond to the needs of its residents.

These individuals are the Pillars of their community, and United Way of Greater McHenry County established its Pillars Club in 1990 to recognize such generosity.

Through their gifts of \$1,000 or more, Pillars Club members support the United Way concept of volunteer fund-raising and fund distribution in support of a broad range of human care services in greater McHenry County.

We are privileged to recognize the leading individual donors to the 2009 annual campaign in our Pillars Club. Their generosity is helping our partner agencies address critical human service needs in our community.

We appreciate the continued support of present Pillars Club members and welcome new members. On behalf of United Way of Greater McHenry County, our agency partners, and the thousands of local residents they serve, thank you.

*“Giving frees us from the familiar territory of our own needs by opening our mind to the unexplained worlds occupied by the needs of others.”*

— Barbara Bush
